

Table 2: Summary of overarching policy, systems and environmental priorities and planned action steps during the summit and reported stages of change, successes and challenges six months later by Region E

Area of Focus	Planned Action Steps	Stages of Change and Successes	Challenges
Systems	<ul style="list-style-type: none"> • Improve data reporting systems and internal sharing of data between departments at Fond du Lac • Work with Fond du Lac administrative services and the medical clinic to make sure any referral forms sent to outside agencies have correct information regarding race. This leads to truer percentages regarding Native American information at the state level • Human Services Advisory board will bring forth a plan to the tribal council to direct Human Services Division administration and upper management to increase data sharing among Fond du Lac and also with outside agencies 	<p>Stage of change six months post-summit: Getting ready</p> <ul style="list-style-type: none"> • Established baseline data and quality measures for AICAF’s “I Quits” program tailored to Fond du Lac, which will help demonstrate program effectiveness. One program activity is to increase referrals to smoking cessation counselors 	<ul style="list-style-type: none"> • Uncertainty with and timing of funding with next CDC Funding Opportunity Announcement
Collaboration	<ul style="list-style-type: none"> • Have initial discussions with primary department leaders in medical, community health services and administrative services to develop a cancer leadership team • Develop a plan to present to upper level management such as the human services division associates and directors regarding the importance of forming a leadership team • Form a leadership team with staff from specific Fond du Lac Human Services Division departments to continue the successes with the cancer program 	<p>Stage of change six months post-summit: Not ready</p> <ul style="list-style-type: none"> • Communicated with department leaders in medical, community health services and administrative services to develop a cancer leadership team 	<ul style="list-style-type: none"> • Several advisory members retiring • Uncertainty with and timing of funding with next CDC FOA
Policy	<ul style="list-style-type: none"> • Hire a smoking cessation counselor • Support the Clearway program and the smoking cessation program by integrating it into MCH and Social Services programs such as moving forward with smoke free foster homes and increasing referrals to smoking cessation • Increase cooperation and partnerships between the clinic and the tobacco programs 	<p>Stage of change six months post-summit: Maintaining and evaluating activities</p> <ul style="list-style-type: none"> • Hired one smoking cessation counselor, who is working closely on cancer program outreach and smoke-free and second-hand smoke initiatives with ClearWay • Passed tribal ordinance, which mandates that foster care homes and transportation vehicles for children must be smoke-free • Increased tobacco-free ordinances around tribal offices except for casinos. One casino has become 100% smoke-free • Organized a smoke-free community gathering sponsored by law enforcement 	<ul style="list-style-type: none"> • Keeping up the momentum to promote smoke-free policies
